The screenshot displays the website's interface. On the left, a red sidebar contains a 'Members Area' section with a login form. The form includes fields for 'Login' and 'Password', a 'Login' button, and links for 'forgot password?' and 'sign in'. Below this is a 'Your Trusted Broker' section. The main content area has a blue header with 'Basic Information' and 'Members Area' tabs. The 'Basic Information' tab is active, listing various links like 'About FXcast', 'Payment Options', 'Terms of Trading', 'Service Agreement', 'Payment Policy & Documents', 'Anti-money Laundering Policy', 'Risk Disclosure', and 'Contact Us'. The 'Members Area' tab lists 'Your Accounts', 'Members Support Center', 'Manage Payments', 'Membership Verification', 'Deposit Funds', 'Withdrawal Funds', and 'Downloads'. - Login:
- Password:
- Login button
- [forgot password?](#)
- [sign in](#)

- 1. Data account anda (login, password, leverage, dll)**
- 2. Status account anda apakah sudah diaktifkan atau belum (bila sudah terverifikasi dan aktif maka akan tertulis Verified, bila belum maka akan tertulis Not Verified seperti gambar diatas)**
- 3. Untuk mengupload identitas anda agar account anda dapat diverifikasi dan diaktifkan**

Jika status belum verified, maka anda hanya bisa mendeposit maximum \$500 saja

Untuk verifikasi membutuhkan setidaknya **2 (dua) jenis identitas yang bernama dan alamat yang SAMA PERSIS dengan yang didaftarkan, jika berbeda maka tidak bisa, dan HARUS minimal 2 JENIS IDENTITAS**

(Contoh: KTP/SIM/IC/PASSPORT **dan** Tagihan Telepon/Kartu Kredit/Bank/STNK/dll)

Di 1 legal identitas tersebut harus terdapat foto diri anda (contoh: KTP/SIM/Passport/IC)

Di dalam identitas anda tersebut harus tercantum nama dan alamat anda yang **SAMA PERSIS** dengan yang didaftarkan, dan **di-Scan BERWARNA**

If you wish to achieve a full membership status or you plan to deposit more then 500EUR or USD you have to provide us with the following documents. If your initial deposit is lower then 500EUR or USD you can start trading immediately, **but keep in mind that we will ask you to upload these documents before processing any withdrawal.**
Verification documents can only be uploaded here. Documents by email are not accepted due to security reasons.

Private Accounts

FXcast needs **TWO** different documents to verify your full membership and give you access to payments and deposit:

1. A legal **Identifying document** with your picture on it **and**
2. A **Bill** with your own name and actual address on it not older than 6 months.

Identifying documents maybe:

- 1.1. Passport
- 1.2. Local ID Card (no company access cards)
- 1.3. Driver's license

Bills we can accept are:

- 2.1. utility bills
- 2.2. bank statements
- 2.3. affidavits
- 2.4. other bills with your name and actual address

If you only have bills with name **or** address (not both) then we need a second **identifying document from point 1**. With deposit higher than 500USD we always need correct address verification with name and address.

Jika anda tidak punya alat scanner, anda dapat juga menggunakan kamera digital atau meminta bantuan warnet/cyber café untuk menscannya. Gambar scan harus jelas, tidak error dan tidak buram atau kekecilan !

Bila identitas kartu penduduk anda (KTP/SIM/Passport/IC) BERBEDA dengan tagihan anda, maka kami tetap dapat menerimanya, TETAPI dengan cara berikut :

→ Tetap uploadkan kartu penduduk anda di web verifikasinya

→ Uploadkan juga Tagihan (Utility Bills) anda yang terbaru, yang dimana alamat harus sesuai dengan yang diregistrasikan (uploadkan di halaman web verifikasi)

NAMA HARUS SAMA ! (Bila berbeda maka tidak bisa). Karena peraturan di negara kami mengharuskan setiap user mempunyai utility bills-nya sendiri

Karena kami juga menyadari, bahwa kadangkala dapat terjadi perbedaan antara alamat di KTP/SIM/Passport anda dengan Tagihan (Utility Bills) anda, sehingga kami tetap dapat menerimanya. Dan di waktu registrasi maka masukkan dengan alamat yang sesuai Tagihan anda.

Bila anda terlanjur memasukkan dengan alamat KTP/SIM/Passport anda, maka anda bisa mengoreksinya (edit) di bagian "**Edit Membership Details**"

Utility Bills yang dapat diterima yaitu Tagihan Telepon/HP, Internet, Air, Listrik, Kartu Kredit, Surat Referensi Bank, STNK+Pajak, Asuransi, Cicilan dan sejenisnya yang terdapat nama dan alamat anda (tidak boleh memakai seperti bon pembelian barang, struk ATM, dan sejenisnya, ataupun yang ditulis dengan tangan)

Cara Verifikasi dan Upload Identitas

For customers with non-western letter documents:

All documents must be translated by an official translator; the translation must be stamped and signed by the translator and be sent together with this original passport with your clear picture on it. And the translation must be uploaded with the original. You need basically 4 (four) documents for upload.

Once we receive your ID documents it can take 1-3 days to complete verification and change your status.
